Product Description

27 Inch Gaming Monitor Widescreen 16:9 2560*1440 75Hz Computer PC Monitor

High-Quality Display

With a resolution of 2560x1440 pixels, this 27-inch gaming monitor delivers sharp and detailed visuals, allowing you to see fine details and vibrant colors with clarity. Enjoy a vivid and immersive visual experience whether you're working on creative projects, editing photos and videos, or enjoying multimedia content.

Height-Adjustable Stand

The 27-inch 75hz gaming monitor features an adjustable stand that allows you to raise or lower the screen to your desired height. This functionality enables you to find the most comfortable viewing position, reducing strain on your neck and shoulders during long hours of use.

Flexible Viewing Angles

In addition to height adjustment, the 27-inch gaming led monitor typically offers tilt and swivel functions. You can tilt the screen forward or backward to achieve the optimal viewing angle, and swivel it left or right to share content with others or adjust the screen position based on your workspace setup.

Wide Viewing Angle

The 27-inch 75hz gaming monitor offers a wide viewing angle, ensuring consistent image quality and colors even when viewed from different positions. Whether you're working collaboratively or enjoying multimedia content with others, everyone can enjoy the same high-quality visuals.

Eye Care Features

The 27-inch gaming monitor incorporates eye care technologies to minimize eye strain during extended use. Features such as flicker-free backlighting and low blue light filters help reduce eye fatigue, allowing you to work or enjoy multimedia content for longer periods with comfort.

FAQ

Q: How can I get the price?

A: We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q: What is the minimum order?

A: Our company mainly deals in wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

Q: Can I buy a prototype to test before buying in bulk?

A: Yes, please feel free to contact us.

Q: What payment methods do you accept?

A: Our company supports most payment methods, but usually accepts T/T, PayPal.

Q: What are your shipping methods?

A: We support sea, air, rail transportation, and express delivery, and also support customers to use their own logistics forwarders. Please confirm with us before placing an order.

Q: I would like to ask you if it's possible to have my logo on the product.

A: Yes, we support OEM and special customization, so we can design, produce, and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q: What is your delivery time?

A: It depends on your order quantity and order season. Usually, small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within about 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
