Product Description

Factory Supply 27 Inch Desktop 2k 75hz Computer Lcd Pc Gaming Monitors

High-Quality Display

With a resolution of 2560x1440 pixels, this 75hz gaming monitor delivers sharp, detailed visuals, bringing your content to life with vibrant colors and clarity. Whether gaming, working on graphic design projects, or watching multimedia content, the high-quality display enhances your visual experience.

Smooth and Fluid Motion

The 75Hz refresh rate ensures smooth motion on the screen, reducing motion blur and providing a more fluid experience. Whether scrolling through documents, gaming, or watching high-action videos, the monitor delivers responsive and seamless visuals.

Cool Back Design

The 27-inch gaming monitor features a cool back design that adds a touch of style to your workspace or gaming setup. The modern and sleek aesthetics make it visually appealing from all angles, enhancing your environment's overall look and feel.

Halo Display at the Bottom

At the bottom of the monitor, there is a unique halo display. This innovative feature adds an extra visual element to your viewing experience. The halo display creates an ambient lighting effect that can be customized, providing a captivating glow and enhancing the atmosphere of your workspace or gaming area.

FAQ

Q: How can I get the price?

A: We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q: What is the minimum order?

A: Our company mainly deals in wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

Q: Can I buy a prototype to test before buying in bulk?

A: Yes, please feel free to contact us.

Q: What payment methods do you accept?

A: Our company supports most payment methods, but usually accepts T/T, PayPal.

Q: What are your shipping methods?

A: We support sea, air, rail transportation, and express delivery, and also support customers to use their own logistics forwarders. Please confirm with us before placing an order.

Q: I would like to ask you if it's possible to have my logo on the product.

A: Yes, we support OEM and special customization, so we can design, produce, and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q: What is your delivery time?

A: It depends on your order quantity and order season. Usually, small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within about 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
