Windows X86 Computer Motherboard Home Office 23.8 Inch All-In-One PC Monitor

The 23.8 Inch All in One Machine

The 23.8-inch All-in-One computer offers a powerful and integrated solution that combines the functionality of a computer motherboard with the convenience of an all-in-one machine. With its compact design, robust performance, and versatile features, this all-in-one machine is becoming increasingly popular among professionals seeking a streamlined and efficient computing experience. In this article, we will delve into the benefits and features of the 23.8-inch All-in-One Machine and explore why it is an ideal choice for home office environments.

Streamlined Design and Space Optimization

The 23.8-inch All-in-One computer offers a compact and space-saving design that optimizes desk space in a home office setting. By integrating the computer motherboard, processor, and other components into the monitor, this all-in-one machine eliminates the need for separate towers and cables.

Powerful Performance and Versatility

Despite its compact size, the 23.8-inch All-in-One computer delivers impressive performance. Powered by an X86 computer motherboard, this machine can handle a wide range of tasks with ease.

FAQ

Q: How can I get the price?

A: We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q: What is the minimum order?

A: Our company mainly deals in wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

Q: Can I buy a prototype to test before buying in bulk?
A: Yes, please feel free to contact us.

Q: What payment methods do you accept?
A: Our company supports most payment methods, but usually accepts T/T, PayPal.

Q: What are your shipping methods?
A: We support sea, air, rail transportation, and express delivery, and also help customers to use their own logistics forwarders. Please confirm with us before placing an order.

Q: I would like to ask you if it's possible to have my logo on the product.
A: Yes, we support OEM and special customization so that we can design, produce, and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q: What is your delivery time?
A: It depends on your order quantity and order season. Usually, small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within about 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
