- Highlight: **Large Digital Photo Frames, 15.6in Digital Photo Frames,**

Product Description

Factory Supply Hot Sale 15.6 Inch Large Digital Photo Frame IPS Digital Picture Frames

15.6-inch IPS Display

The digital photo frame features a large 15.6-inch IPS (In-Plane Switching) display, which offers wide viewing angles and accurate color reproduction. This ensures that your photos look vibrant and sharp from various viewing positions.

High-Resolution Display

The digital picture frame typically comes with a high-resolution screen, providing detailed and clear image quality. It may have a resolution of 1920x1080 pixels or higher, allowing your photos to be displayed with excellent clarity.

Multimedia Playback

In addition to displaying photos, the digital photo frame supports multimedia playback. You can play videos in popular formats, listen to music, and even display text files or slideshows with accompanying music.

Multiple Display Modes

The digital picture frame offers various display modes to suit your preferences. You can choose from options like slideshow mode, single photo view, and thumbnail grid view. This allows you to organize and browse through your photo collection easily.

FAQ

Q: How can I get the price?

A: We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q: What is the minimum order?

A: Our company mainly deals in wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

Q: Can I buy a prototype to test before buying in bulk?

A: Yes, please feel free to contact us.

Q: What payment methods do you accept?

A: Our company supports most payment methods, but usually accepts T/T, PayPal.

Q: What are your shipping methods?

A: We support sea, air, rail transportation, and express delivery, and also support customers to use their own logistics forwarders. Please confirm with us before placing an order.

Q: I would like to ask you if it's possible to have my logo on the product.

A: Yes, we support OEM and special customization, so we can design, produce, and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q: What is your delivery time?

A: It depends on your order quantity and order season. Usually, small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within about 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
