13.3 Inch Medical LED Monitor Touch Screen Monitor Industry LCD Monitor

Introducing our latest product, the 13.3-inch Medical LCD Monitor. Designed and optimized specifically for the healthcare industry, this monitor delivers exceptional image quality and reliability to meet the needs of medical professionals.

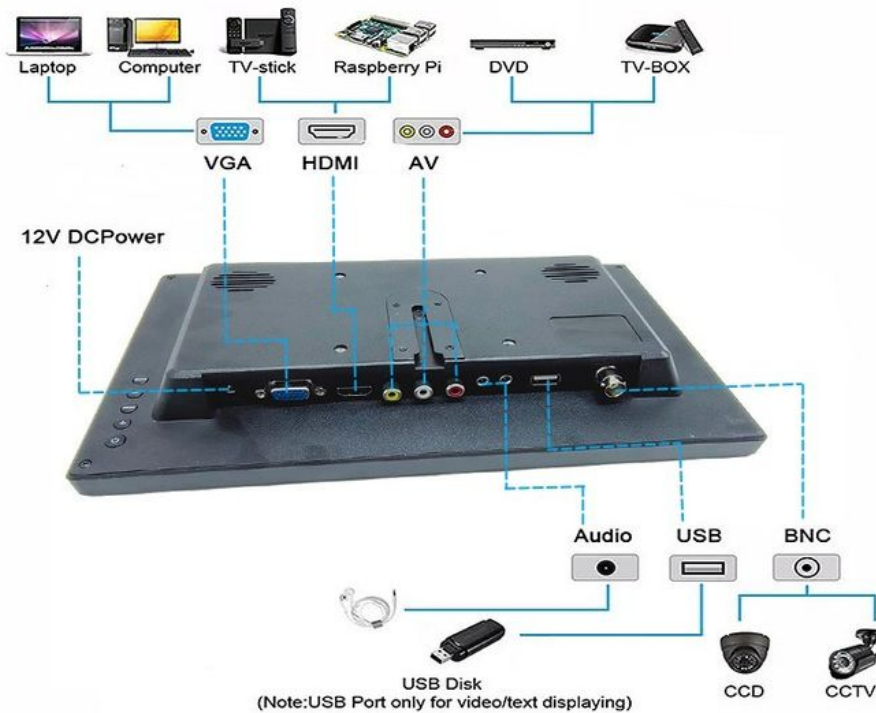

The 13.3-inch Medical LCD Monitor incorporates advanced display technology, featuring high resolution and wide viewing angles to ensure clear observation of images and data by doctors, nurses, and other healthcare professionals. With precise color reproduction and contrast adjustment capabilities, medical images are displayed with utmost accuracy, aiding doctors in making precise diagnoses and treatment decisions.

This medical-grade LCD monitor also excels in visibility and user-friendliness. Its anti-glare coating and anti-reflective technology ensure clear images under various lighting conditions. Additionally, adjustable brightness and contrast functions allow healthcare professionals to personalize settings according to their specific requirements, ensuring the best visual experience.

The 13.3-inch Medical LCD Monitor is also built for performance and durability. Its robust casing and shock-resistant design withstand prolonged use and frequent movement. Moreover, its low power consumption and high efficiency make it an energy-saving choice for medical equipment.

	Save temperature : -0 to 80°C
	Save humidity : -0 to 80°C
Power	DC12V
	electricity : 4A
	Machine power consumption : 20W

Multi-ports for Multi-functional Use

FAQ

Q:How can I get the price?

A:We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q:What is the minimum order?

A:Our company mainly deals in wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

Q:Can I buy a prototype to test before buying in bulk?

A:Yes, please feel free to contact us.

Q:What payment methods do you accept?

A:Our company supports most payment methods, but usually accepts T/T, PayPal.

Q:What are your shipping methods?

A:We support sea, air, rail transportation and express delivery, and also support customers to use their own logistics forwarders. Please confirm with us before placing an order.

Q:I would like to ask you if it's possible to have my logo on the product.

A:Yes, we support OEM and special customization, so we can design, produce and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q:What is your delivery time?

A:It depends on your order quantity and order season. Usually small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within about 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
