Product Description

49 Inch 5k Gaming LED Monitors Desktop Computer IPS Panel Screen 144hz Gaming PC Monitors

Adjustable Height

The 49-inch LED gaming monitor is equipped with a height-adjustable stand, allowing you to raise or lower the display to your preferred viewing height. This feature helps you find a comfortable and ergonomic position, reducing strain on your neck and shoulders during extended use.

LED Gaming Monitor Size

With a massive 49-inch gaming screen, this monitor provides an immersive gaming experience. The large size ensures that you can see more details in your games, giving you an advantage over your opponents.

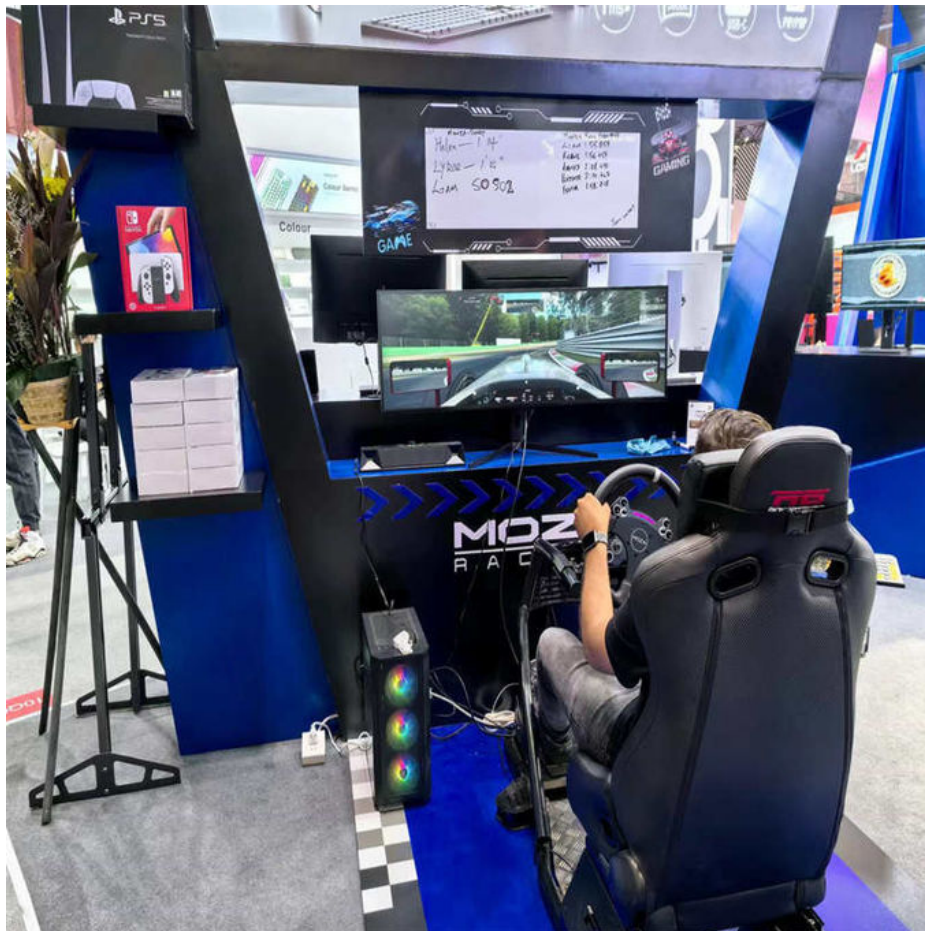

5K Resolution

The 49-inch gaming monitor boasts a 5K resolution, which means it has a pixel density of approximately 5120 x1440 pixels. This high resolution delivers incredibly sharp and detailed visuals, allowing you to see fine details in your games.

Lightning-Fast 144Hz Refresh Rate

The exceptional refresh rate of 144Hz ensures buttery-smooth motion on the screen. Whether you're playing fast-paced action games or watching high-octane movies, the monitor's high refresh rate minimizes motion blur and delivers ultra-responsive visuals. The result is a heightened sense of realism and an advantage in competitive gaming scenarios.

FAQ

Q: How can I get the price?

A: We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q: What is the MOQ?

A: Our company mainly deals in wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

Q: Can I buy a prototype to test before buying in bulk?

A: Yes, please feel free to contact us.

Q: What payment methods do you accept?

A: Our company supports most payment methods, but usually accepts T/T, PayPal.

Q: What are your shipping methods?

A: We support sea, air, rail transportation, and express delivery, and we also help customers to use their own logistics forwarders. Please confirm with us before placing an order.

Q: I would like to ask you if it's possible to have my logo on the product.

A: Yes, we support OEM and special customization so that we can design, produce, and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q: What is your delivery time?

A: It depends on your order quantity and order season. Usually, small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within about 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
