Product Description

46.6 Inch Ultra Wide Stretched Bar Monitor Android Lcd Display Shelf Advertising Digital Signage Shelf Screen Display

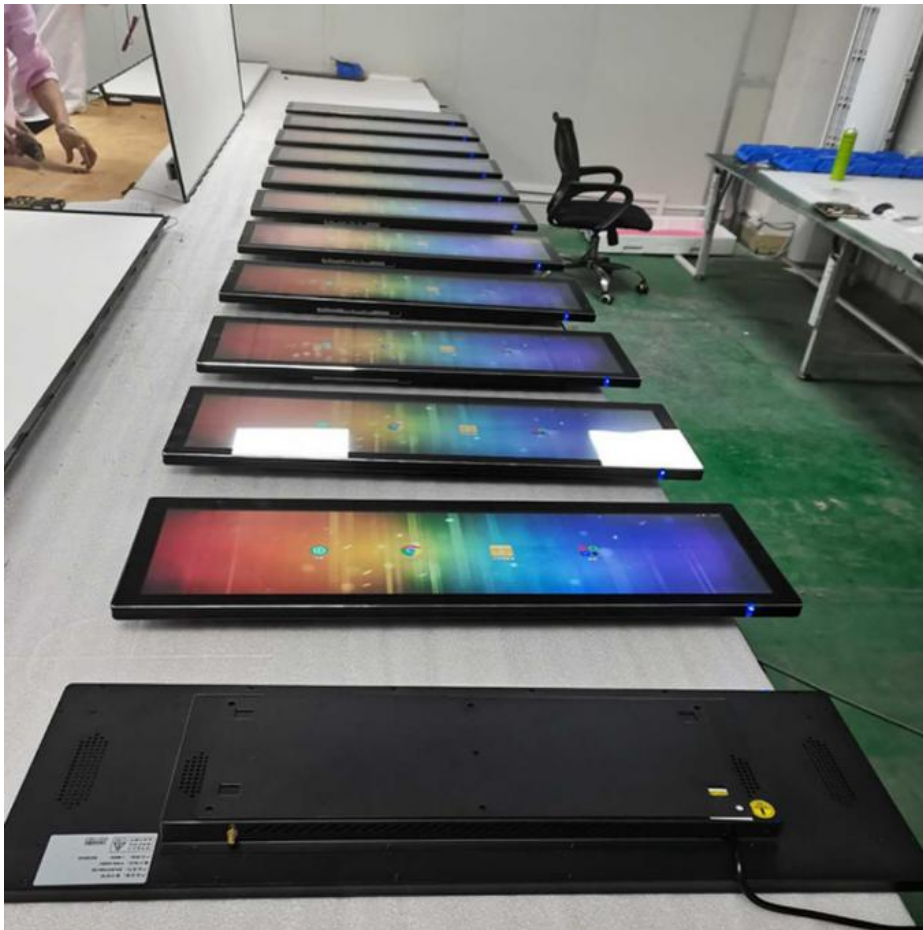

We are introducing our state-of-the-art 46.6-inch Stretched Bar LCD Screen Display, a cutting-edge solution designed to captivate and engage your audience like never before. With its sleek design and stunning visual performance, this display is the perfect choice for delivering dynamic content in a unique and immersive format.

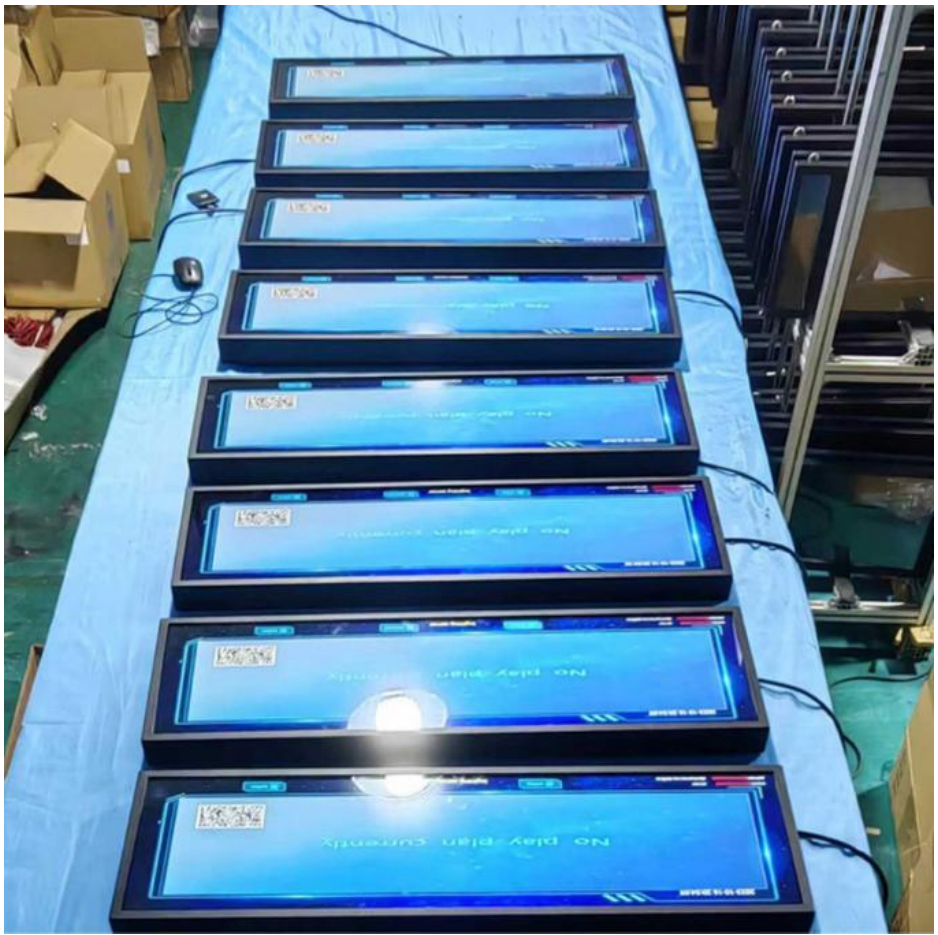

Featuring an ultra-wide aspect ratio, the 46.6-inch Stretched Bar LCD Screen Display offers a panoramic viewing experience that grabs attention and leaves a lasting impression. Its high-resolution display ensures crisp and vibrant visuals, bringing your content to life with remarkable clarity and detail.

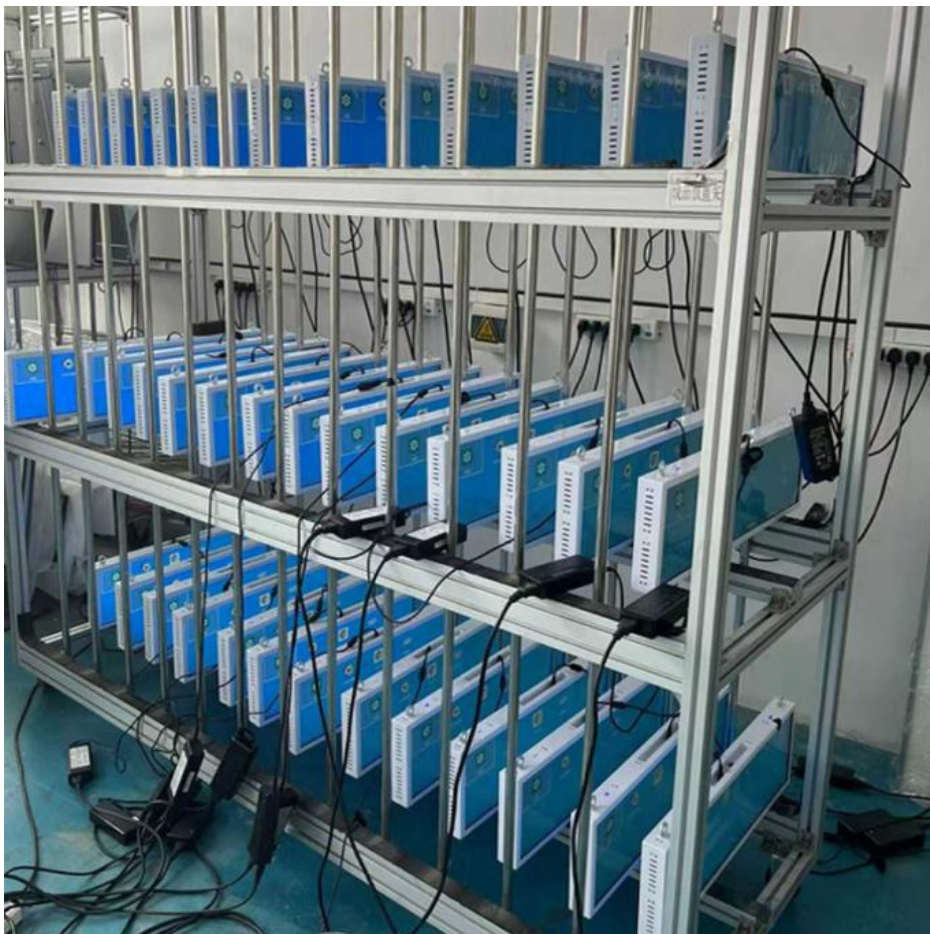

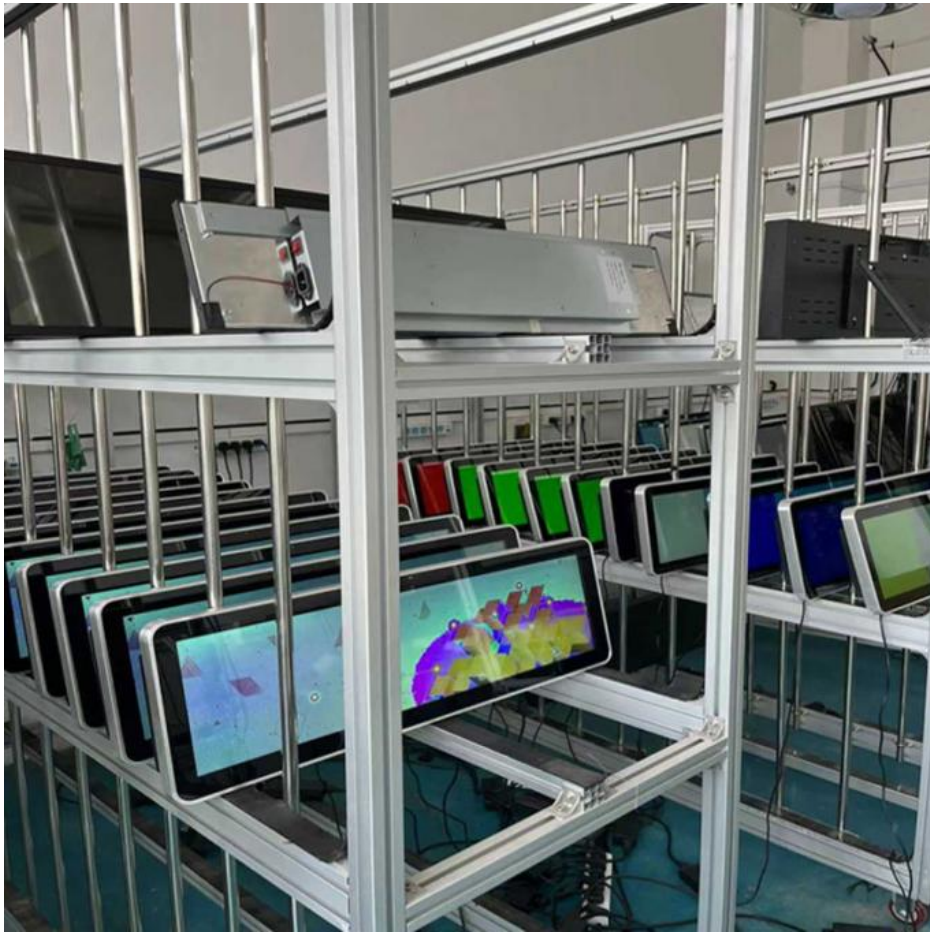

Whether used for digital signage, advertising displays, or information kiosks, this display excels in delivering impactful messages. Its elongated shape provides a distinctive canvas for showcasing content in a visually striking manner, making it ideal for creating immersive brand experiences and attracting customer attention.

Equipped with advanced display technologies, this stretched bar LCD screen delivers exceptional brightness and contrast, ensuring optimal visibility even in challenging lighting conditions. The wide viewing angles guarantee that your content remains clear and easily readable from various perspectives, maximizing its impact on viewers.

The 46.6-inch Stretched Bar LCD Screen Display is built to deliver seamless and interactive experiences. With its touchscreen functionality, users can engage with your content directly, enhancing interactivity and providing an immersive user experience. This makes it perfect for interactive wayfinding, self-service applications, and advertising.

FAQ

Q: How can I get the price?

A: We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q: What is the minimum order?

A: Our company mainly deals in the wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

Q: Can I buy a prototype to test before buying in bulk?

A: Yes, please feel free to contact us.

Q: What payment methods do you accept?

A: Our company supports most payment methods, but usually accepts T/T, PayPal.

Q: What are your shipping methods?

A: We support sea, air, rail transportation, and express delivery, and also support customers to use their own logistics forwarders. Please confirm with us before placing an order.

Q: I would like to ask you if it's possible to have my logo on the product.

A: Yes, we support OEM and special customization so that we can design, produce, and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q: What is your delivery time?

A: It depends on your order quantity and order season. Usually, small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
