## Product Description

### TFT Stretched Bar Lcd Display Digital Signage And Displays Advertising Player Screen

It is introducing the Stretched Bar LCD Display, a revolutionary display solution combining sleek design and exceptional functionality. This cutting-edge display is designed to captivate viewers and enhance communication in various commercial and public environments.

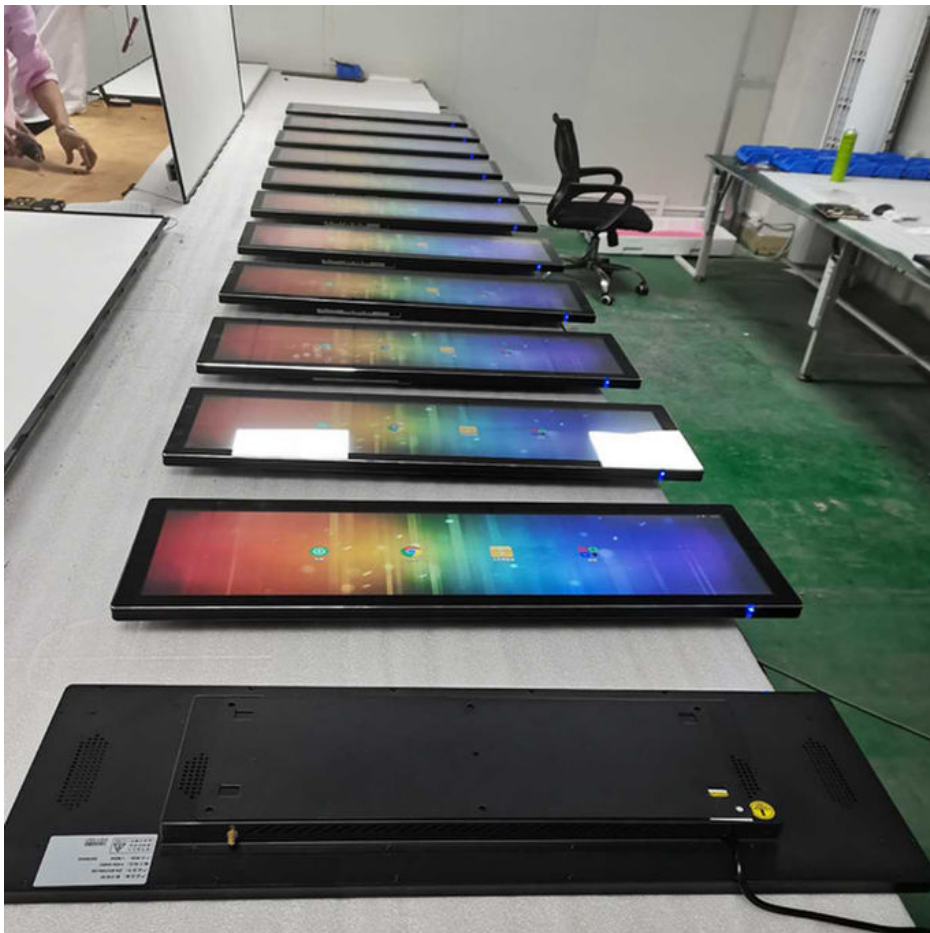

The Stretched Bar LCD Display features a unique elongated form factor, making it stand out from traditional displays. Its slim and sleek design allows for seamless integration into any space, whether it's mounted on walls, embedded in kiosks, or incorporated into custom installations.

With its high-resolution TFT LCD panel, the Stretched Bar LCD Display delivers stunning visual content with impeccable clarity. Whether advertising, information display, or interactive signage, this display ensures that your messages are conveyed effectively and leave a lasting impression on viewers.

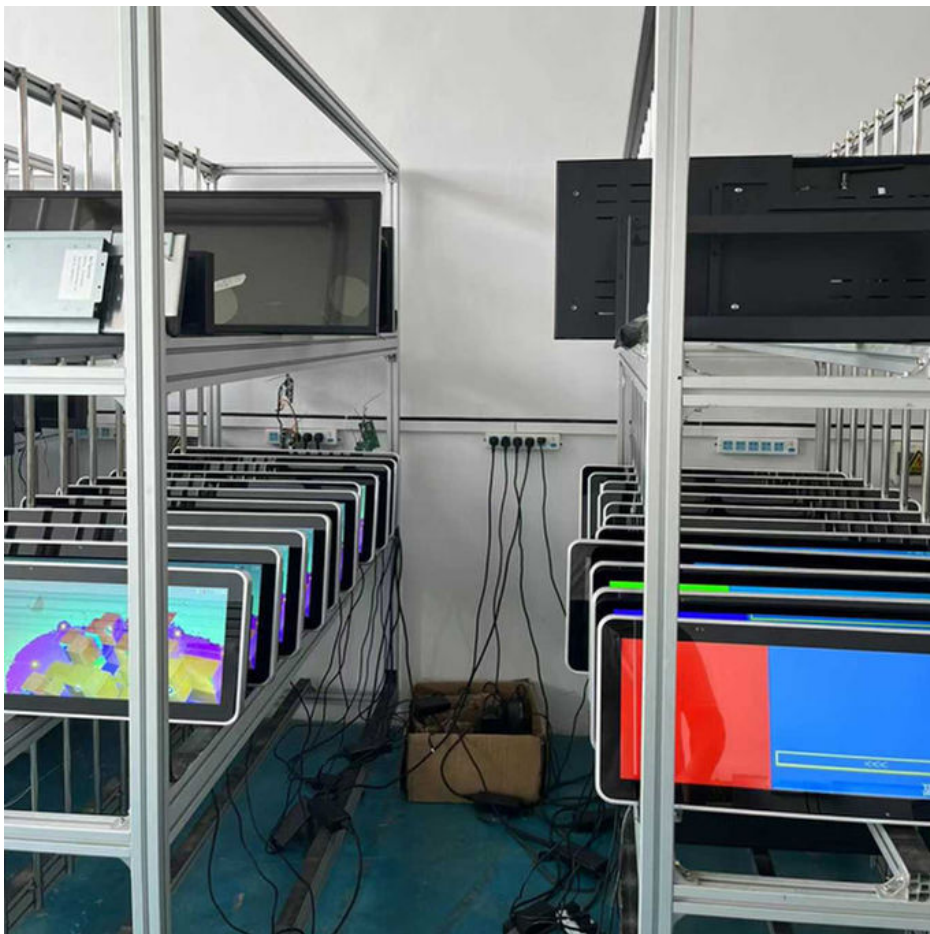

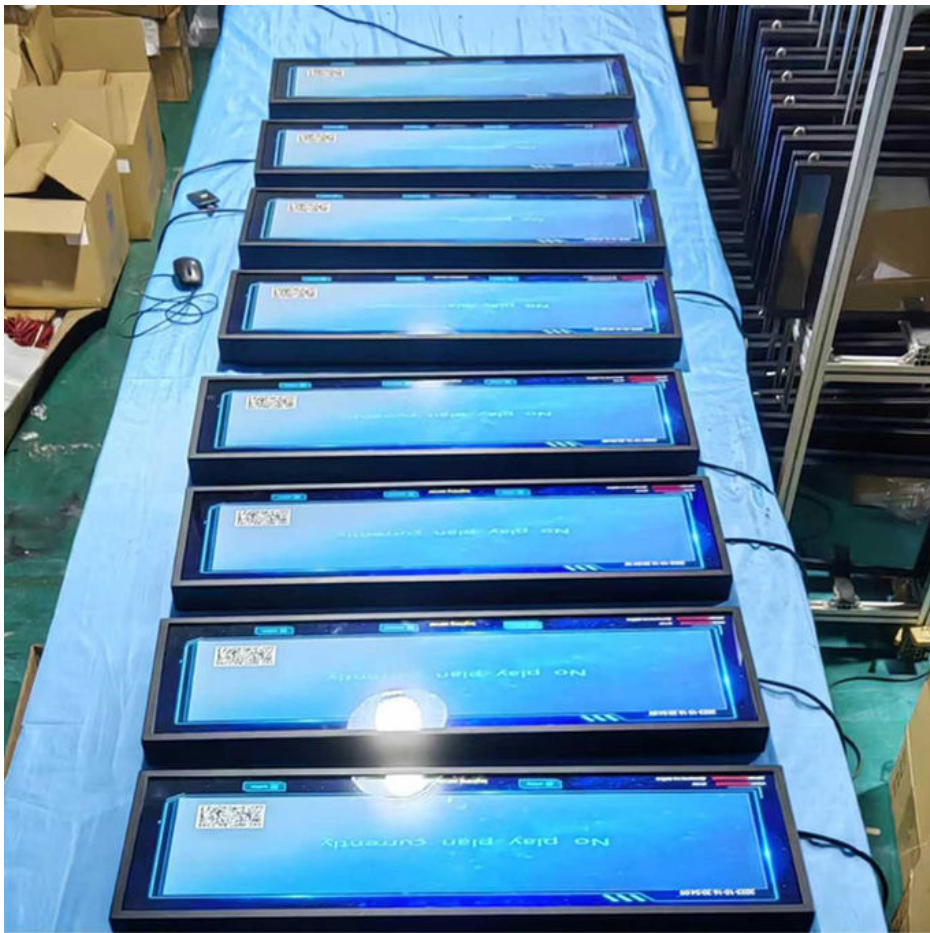

The wide viewing angle of the Stretched Bar LCD Display ensures that content is visible from different perspectives, enabling maximum visibility in crowded environments. Additionally, the LED backlighting technology enhances color reproduction, resulting in vibrant and vivid visuals that grab attention.

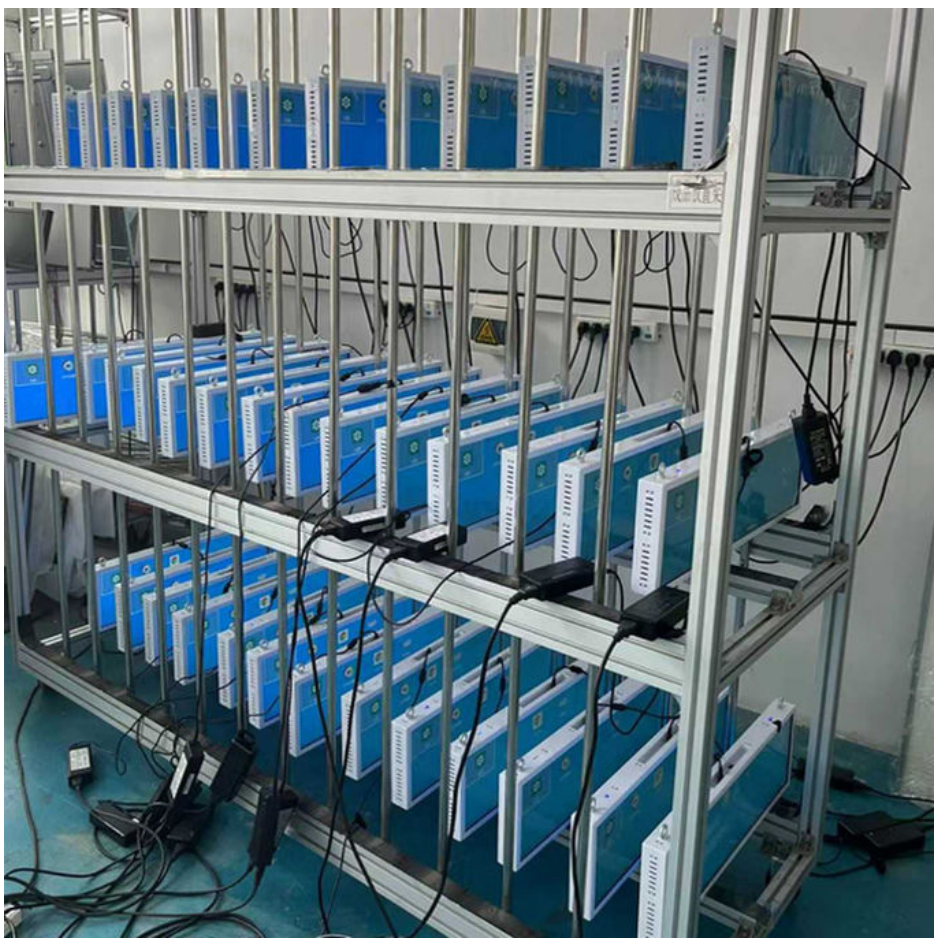

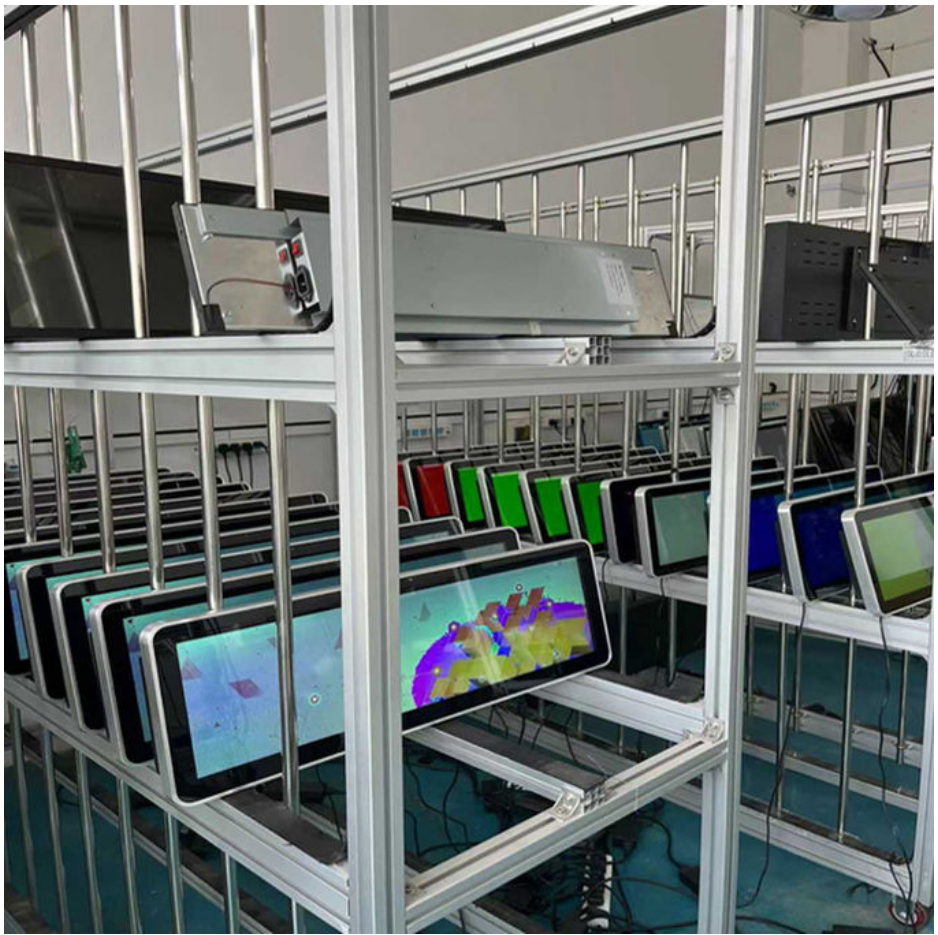

Built for durability and reliability, the Stretched Bar LCD Display is engineered to withstand demanding 24/7 operation. Its energy-efficient design optimizes power consumption without compromising performance, making it a sustainable and cost-effective choice for businesses.

## FAQ

**Q: How can I get the price?**

A: We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

**Q: What is the minimum order?**

A: Our company mainly deals in the wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

**Q: Can I buy a prototype to test before buying in bulk?**

A: Yes, please feel free to contact us.

**Q: What payment methods do you accept?**

A: Our company supports most payment methods, but usually accepts T/T, PayPal.

**Q: What are your shipping methods?**

A: We support sea, air, rail transportation, and express delivery, and also support customers to use their own logistics forwarders. Please confirm with us before placing an order.

**Q: I would like to ask you if it's possible to have my logo on the product.**

A: Yes, we support OEM and special customization so that we can design, produce, and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

**Q: What is your delivery time?**

A: It depends on your order quantity and order season. Usually, small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within 30 days. All in all, the delivery time will not exceed the time agreed between us and the buyer.
