	Working current/voltage	180Ma/DC+5V+/-5%
	Anti-light interference	Normal when strong light such as sunlight, incandescent lamps, or fluorescent lamps changes
	Touch data output method	Coordinate output
	Surface hardness	Tempered glass, Mohs 7 explosion-proof glass
	Operating system	compatibility Android system/Windows system
	Driver	Driver-free, plug-and-play
	External interface	HDMI input 1 VGA input 1
	3M card	12 years of industry experience
		Countless motherboard tests
		USB/serial port-free switching
		Touch direction button adjustment
		USB/TTL/UUPD/RS232
		Full tracking service, special program customization (remote/on-site) adaptation
	Light card	Computer control signal output
		More than 300 lighting modes are available
		Can be connected to machine light strips and display light strips simultaneously
		Can connect 8 light strips, each with 1200 lamp beads

FAQ

Q: How can I get the price?

A: We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q: What is the minimum order?

A: Our company mainly deals in wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

Q: Can I buy a prototype to test before buying in bulk?

A: Yes, please feel free to contact us.

Q: What payment methods do you accept?

A: Our company supports most payment methods, but usually accepts T/T, PayPal.

Q: What are your shipping methods?

A: We support sea, air, and rail transportation and express delivery, and we also allow customers to use their own logistics forwarders. Please confirm with us before placing an order.

Q: I would like to ask you if it's possible to have my logo on the product.

A: Yes, we support OEM and special customization to design, produce, and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q: What is your delivery time?

A: It depends on the quantity of your order and the season. Usually, small amounts are shipped within 5 to 15 days, and large quantities are delivered within about 30 days. The delivery time will not exceed the agreed-upon time between the buyer and us.
