Product Description

34 Inch Ultrawide Curved LED-Backlit LCD Monitor 180Hz Refresh Rate IPS Panel HD Features USB Computer Gaming Desktop Laptop

Key features of the 1.34-inch Ultra-Wide Curved Monitor

Unlike traditional TN panels, **IPS (In-Plane Switching) technology** delivers exceptional color accuracy and wider viewing angles. This means richer colors, deeper contrast, and consistent image quality from different angles—perfect for professionals working with visual content.

2.. LED backlight, energy-efficient and bright

LED backlight** boosts brightness while remaining energy-efficient. This feature not only improves overall image quality, but also ensures the monitor remains environmentally friendly while reducing power consumption.

3. HD capability for crystal-clear visuals

This monitor supports **High Definition (HD) resolution** for crisp, detailed visuals. Whether you're playing games at **1440p (QHD) or 1080p (Full HD)***, clarity and sharpness remain top-notch, making it a great choice for both entertainment and work.

4. Adaptive Sync technology for tear-free gaming

To go along with the **high refresh rate**, many models of this monitor feature **G-Sync or FreeSync compatibility**. These Adaptive Sync technologies eliminate screen tearing and stuttering, ensuring a seamless gaming experience.

Multiple connectivity options

This monitor comes with **HDMI, DisplayPort, and USB ports** to ensure seamless connectivity with game consoles, PCs, and other multimedia devices. Some models may also come with **USB-C** to accommodate modern setups.

34" Ultrawide Curved LED-backlit LCD Monitor with 180Hz refresh rate and IPS panel.

	Save humidity: -0 to 70°C
Power	110V-240V -DC
	electricity: 5A
	Machine power consumption: 25W

FAQ

Q: How can I get the price?

A: We usually give you a quotation within 24 hours after receiving the inquiry (except weekends and holidays), if you need a quotation urgently, you can contact us by mail or other means.

Q: What is the minimum order?

A: Our company mainly deals in wholesale business, but if you insist on buying one, or you only need one set, we will also deliver the goods to you.

Q: Can I buy a prototype to test before buying in bulk?

A: Yes, please feel free to contact us.

Q: What payment methods do you accept?

A: Our company supports most payment methods, but usually accepts T/T, PayPal.

Q: What are your shipping methods?

A: We support sea, air, rail transportation, and express delivery, and we also help customers using their own logistics forwarders. Please confirm with us before placing an order.

Q: I would like to ask you if it's possible to have my logo on the product.

A: Yes, we support OEM and special customization, so we can design, produce, and process according to customer's requirements. Of course, custom logos on the box and instruction manual are also included.

Q: What is your delivery time?

A: It depends on your order quantity and order season. Usually, small quantities will be shipped within 5 to 15 days, and large quantities will be delivered within about 30 days. All in all, the delivery time will not exceed the time agreed upon between the buyer and us.
